Rocklin Event Center, Rocklin, CA

Support the region's only Latino-Focused organization as a sponsor of our 12th Annual Forum on the Latino Community. Our flagship event attracts nearly 250 leaders in the government, health, education, human services, law enforcement, and business sectors who desire to learn about the cultural, linguistic, and capacity challenges and solutions to serve the largest ethnic group in California.

We invite you to consider partnering with us through our sponsorship opportunities and help make a lasting impact in our community. Your sponsorship is tax deductible (EIN # 27-0970476), supports our programs, and provides a direct impact on our clients.
